This met with the American representative's approval. The latter also pointed out that Washington official circles disapprove Balli Kombetar construction of Committee reorganization, whereas EKI's recent "Albanie Libre" articles pressing for union of all Albanian anti-Communist forces in exile created a favorable impression.</p> <p>DOSTI has left Rome for Geneva where he will represent Albanian refugees at a conference of the various national refugee committees.</p> <p>THIS IS ALL THE INFORMATION PERTINENT TO THE SUBJECT IN THIS DOCUMENT</p>
